**DEPARTMENT OF HEALTH AND ENVIRONMENT**  
**PUBLIC NOTICE**

The Kansas Department of Health and Environment (KDHE) has reviewed an application from Flint Hills Recycling, LLC to establish and operate a waste tire processing facility. Flint Hills Recycling, LLC is proposing this new facility for processing waste tires into crumb rubber for sale and for use in their manufacturing process. Tires will be brought in by trucks belonging to the adjacent waste tire monofill. Tires that are not useable in their processing facility will be returned to the hauler.

This facility is located in the SE ¼, Section 18, Township 5 S, Range 12 E, Nemaha County, at 781 W. 24<sup>th</sup> Road, Centralia, Kansas. KDHE has reviewed the application and found it to be in conformance with the state waste tire statutes and regulations.

KDHE is today providing public notice of their intent to issue a permit to Flint Hills Recycling, LLC for the proposed waste tire processing facility described herein. A copy of the administrative record which includes the draft permit and all information regarding this permit action is available for public review from Friday, May 23, 2014, to Monday, June 23, 2014, during normal business hours, Monday through Friday at the following locations:
